Dear Parents;

The Ballenas Music department presents a fundraising program that will save you money – and provide a stress-free meal at home. Panago Pizza sells certificates for \$10.00 (including GST) which are good for any medium pizza – the regular prices for multi-topping medium pizzas range from \$13.00 to \$16.00. Panago certificates are purchased for \$6.00- so you make \$4.00/certificate.

The only conditions on using the certificates are:

Orders are pick-up only.

Certificates will expire 90 days from date of issue.

Certificates can be used at ANY Panago location. The closest location is across from the Dairy Queen in Parksville at 102 Island Hwy E.

Students are to take orders from customers using the attached sample coupon. Certificates will be available for students to purchase from my office in the musicroom for distribution to customers. All sales are final. Payment may be in the form of cash or cheque made out to Ballenas Secondary School. Participating students will receive an accumulated \$1200.00 profit from this fundraiser!

Cheers;
